## Suffolk Academy of Medicine

presents

**2024**

# DOCTORS OF TOMORROW

**Application Deadline: October 15th**

# PROGRAM INFORMATION

The **Doctors Of Tomorrow** (D.O.T.) program is a county-wide educational program run by the Suffolk Academy of Medicine. We provide personal, firsthand, and encouraging information to high school students on what it takes to become a doctor and a leader in the community. The program consists of an introductory symposium, an essay contest, a day with a doctor, networking events, community engagement, and more.

# INTRODUCTORY SYMPOSIUM

There will be two symposium sessions available, both in-person and virtually. A distinguished panel will outline the program requirements. Qualifying high school Juniors and Seniors should contact us at [doctorsoftomorrow@scms-sam.org](mailto:doctorsoftomorrow@scms-sam.org) to register for either of the symposiums.

**ATTENDANCE TO ONE OF THE  
SYMPOSIUM SESSIONS IS MANDATORY**

# APPLICATION PROCESS

The application for both Juniors and Seniors consists of an essay and a list of extracurricular activities. All interested high school Juniors and Seniors are required to submit an essay of approximately 200 words on the topic: **“The Major Influence Which Contributed to My Desire to Become A Physician.”** Entries are judged on originality, composition, and style. Along with the essay, students will need to provide a list of extracurricular activities, such as work, sports, awards, clubs, etc. The **submission deadline** for the application will be **December 2nd, 2024**. The essay and activity list can be emailed to [doctorsoftomorrow@scms-sam.org](mailto:doctorsoftomorrow@scms-sam.org).

# EDITH FRIEDMAN SCHOLARSHIP

This \$300 scholarship will be awarded to a Junior and Senior with outstanding community service.

# ROBERT A. SCHER, M.D. SCHOLARSHIP

This \$200 scholarship will be awarded to a Junior and Senior who have demonstrated a keen interest in school or local government and politics.

# \$1000 TUITION SCHOLARSHIP

Three participating **SENIORS** will be selected for this scholarship. \$1,000 will be paid to each of the winners upon matriculation to medical school. The Academy also selects three alternates to receive this \$1,000 scholarship in the event scholarship winners do not matriculate.

\*The Society will contact the Guidance Office to request the required academic packet (a letter of recommendation, transcripts, and SAT/ACT scores) for seniors interested in this scholarship.\*
